1. Company Overview

About AcmeNova

AcmeNova Technologies Pvt. Ltd. is a fictional software company headquartered in Bengaluru, India. The company develops cloud software, data platforms, artificial intelligence solutions, and enterprise applications.

Mission

AcmeNova's mission is to build reliable technology that helps businesses automate operations, understand data, and make better decisions.

Core Values

The company's core values are customer focus, ownership, transparency, continuous learning, teamwork, and responsible use of technology.

Working Locations

AcmeNova operates from its Bengaluru headquarters and supports approved hybrid work arrangements for eligible employees.

2. Working Hours & Attendance

Standard Working Hours

Standard working hours are Monday to Friday, 9:30 AM to 6:30 PM, with a one-hour lunch break.

Core Hours

Core collaboration hours are 11:00 AM to 5:00 PM. Employees are expected to be reachable during core hours unless they are on approved leave or have an approved exception.

Attendance

Employees must record attendance through the company's approved attendance system. Remote working days must also be recorded as working days.

Late Arrival

Employees expecting to arrive more than 30 minutes late should inform their reporting manager as early as possible.

3. Hybrid & Work From Home Policy

Eligibility

Employees may be eligible for hybrid work when their role can be performed effectively outside the office, they have completed probation, and their manager has approved the arrangement.

Hybrid Schedule

Eligible employees may work from home up to 2 days per week. Teams may designate specific collaboration days when employees are expected to work from the office.

Remote Work Location

Remote work should normally be performed from the employee's approved home or another location approved by the manager. Employees must maintain a professional and secure workspace.

Availability

Employees working remotely must remain available during core hours, attend scheduled meetings, respond to work communications, and meet agreed deliverables.

Internet & Equipment

Employees are responsible for maintaining reliable internet connectivity. Company-issued laptops and accessories must be used according to IT security requirements.

Security During Remote Work

Employees must not allow unauthorized people to access company devices, confidential documents, credentials, or internal systems while working remotely.

Manager Approval

Hybrid work arrangements may be changed or temporarily suspended based on business requirements, team collaboration needs, performance concerns, or security requirements.

4. Leave Policy

Annual Leave

Eligible full-time employees receive 18 days of annual paid leave per calendar year.

Casual Leave

Employees receive 6 days of casual leave per calendar year for short personal needs.

Sick Leave

Employees receive 6 days of sick leave per calendar year. Employees should notify their manager as soon as reasonably possible when illness prevents them from working.

Leave Application

Planned leave should normally be requested at least 3 working days in advance through the HR leave system.

Emergency Leave

For emergencies, employees should notify their manager as soon as possible. The leave request can be recorded in the HR system after the immediate situation is handled.

Leave Approval

Leave is subject to manager approval and business requirements. Submission of a leave request does not by itself constitute approval.

Carry Forward

Up to 10 unused annual leave days may be carried forward to the next calendar year, subject to applicable company rules.

Public Holidays

The company publishes its annual holiday calendar at the beginning of each calendar year. Holiday schedules may vary by work location.

5. Compensation & Benefits

Salary

Employees are paid monthly. Salary is normally credited on or before the last working day of the month.

Health Insurance

Eligible employees receive company-sponsored group health insurance according to the benefits plan applicable to their employment category.

Learning Budget

Eligible employees may receive an annual learning and certification budget of up to INR 20,000, subject to manager and HR approval.

Internet Reimbursement

Eligible hybrid employees may claim up to INR 1,000 per month toward approved home internet expenses, subject to submission of valid documentation.

6. Performance Management

Goal Setting

Employees and managers establish measurable goals at the beginning of the performance cycle.

Performance Reviews

Formal performance reviews are conducted twice a year. Managers may also provide feedback throughout the year.

Performance Improvement

Employees whose performance does not meet role expectations may be placed on a documented Performance Improvement Plan with clear objectives, timelines, and support.

7. Code of Conduct

Professional Conduct

Employees are expected to behave professionally, respectfully, and honestly when interacting with colleagues, customers, vendors, and business partners.

Confidentiality

Employees must protect confidential company information, customer information, source code, credentials, business plans, and other non-public information.

Conflict of Interest

Employees must disclose situations that could create an actual or potential conflict between personal interests and company responsibilities.

Gifts & Hospitality

Employees must not accept or offer gifts, payments, or hospitality that could improperly influence a business decision.

8. Information Security & IT

Company Devices

Company-issued devices must be protected with approved passwords, security controls, and software updates.

Passwords

Employees must never share passwords, authentication codes, API keys, or other credentials with another person.

Data Protection

Sensitive company and customer data must only be stored, transmitted, and processed using approved company systems.

Incident Reporting

Lost devices, suspected phishing, accidental data disclosure, unauthorized access, or other security incidents must be reported to the IT security team immediately.

9. Remote Meeting & Communication Guidelines

Meeting Expectations

Employees should join scheduled meetings on time, review relevant materials in advance, and keep their status updated when unavailable.

Communication Channels

Email is used for formal communication, the company's collaboration platform is used for day-to-day team communication, and the ticketing system is used for technical or operational requests.

Focus Time

Employees may block focus time on their calendars when they need uninterrupted time for development, analysis, documentation, or other concentrated work.

10. Travel & Expense Policy

Business Travel

Business travel requires manager approval before booking. Employees should use approved travel vendors where available.

Local Travel

Reasonable and approved business travel expenses may be reimbursed when supported by valid receipts.

Expense Submission

Employees should submit approved business expenses within 15 calendar days after returning from travel or incurring the expense.

11. Separation & Exit
